

ConnecTechAsia Summit

EXPERIENCE THE FUTURE

18 – 20 June 2019 | Marina Bay Sands and Suntec Singapore

Don't Miss Your Chance to Submit!

2018 is done and dusted. It's time to hit 2019 on a fresh note.

ConnecTechAsia2019 Summit aims to provide a platform to both delegates and speakers to exchange new innovation, transformative ideas and cutting edge technologies. We are looking for entries across the entire spectrum of value chain across media, telecommunication, satellite and emerging technology fields such as machine learning, artificial intelligence, blockchain, AR, VR, etc.

So don't miss this exciting opportunity and start piecing on your abstract together now! We encourage you to submit your 300 word synopsis by **4 January 2019** for review. As always, we're excited how ConnecTechAsia will unravel and look forward to receiving your inspiring thoughts.

From,
ConnecTechAsia Summit Team

**Submission Deadline is
4 January 2019!**

Evaluation Criteria:

- **Relevance** to the overall programme
- **Latest/new knowledge of technological advancements**, and their practical applications in Asia.
- **Experience of the speaker** – high-level or senior management speakers will be given greater consideration during selection.
- **Interest to senior management / executive decision makers**
- **Research and/or case study presentations** that show the definite applications, advantages and limitations of the technology
- **Technical presentations are discouraged.** When presenting technical information, it should be on demonstrating how the technology affects strategies, financial performance & end-user services.

Undue commercialism or the citation and promotion of trade names and in abstracts and presentations should be kept to a minimum.

Submission Guidelines:

- Prospective speakers are to submit an abstract of **not more than 150 words**, together with a **150 word professional biography**. Abstracts and biographies should not exceed the stated length.
- Abstracts must be prepared for presentation in English.
- **Due to overwhelming submissions for Summit, each author/speaker is allowed to submit only one abstract.**
- Abstracts must not have extensive coverage or circulation 3 months before and after the Summit, such as presentation in previous/upcoming conferences and/or publications.
- **The Organizer reserves the right to adapt the information in the submitted abstract for publication in the event's promotional materials.**
- Prospective speakers must be prepared to make their presentations in English at the **ConnecTechAsia Summit** during the period of **18 – 20 June 2019**.
- **Speakers are responsible for their own travel and accommodation.**
- Speakers whose proposed abstracts are selected for presentation will be required to sign a Speaker's Agreement Form, granting UBM Singapore permission to include the final papers and/or presentation material in the conference proceedings (printed/online). It is strictly the speakers' responsibility to have obtained any necessary organizational clearance before submission.
- Please provide complete contact details (direct email and direct office line) so we can reach you if your abstract submission is successful.
- The Organizer does not accept responsibility for emails not received, due to mistakes in submission, change of contact, or other unforeseen circumstances.

The Organizer's decision on the selection of proposed abstracts and its subsequent allocation within conference programme is FINAL, and no further correspondence will be entertained.

How to submit?

1. Fill in the submission form below
2. Submit via email to summit@connectechasia.com

Notification of Acceptance:

- Selected speakers will be notified by email. The confirmation email will be sent by **1st February 2019**.
- Selected speakers must respond with an acknowledgement within 3 working days to confirm their participation, failing which the initial acceptance may be withdrawn.
- Change in speakers must be submitted to the Organiser for approval.

Important Dates:

Deadline for submission of paper	18th January 2019 (Friday)
Notification of acceptance	1st February 2019 (Friday)
Acknowledgement e-mail (from speakers after notification)	Within 3 working days
Deadline for submission of presentation slides/deck	7th June 2019 (Friday)
